

Band March-a-thon Volunteer Job Descriptions

Band Media: Members to take and post photos throughout the event as well as providing updates on social media of next stops

Band Road Crew: Pull 40 ft trailer at the back of the route to identify the program - trailer will drop drumline and tubas at Cibolo Greens Elementary School parking lot to start the event. Will end at the Amenity Center where instruments will be trailered and returned to the school at the end of the event.

Clean Up Crew: Crew starts 1 hour behind the band and cleans up any snack or trash dropped along the route. Concentration on the snack stops along the way in HOA.

Drivers: Needs to have a truck to pull Flatbed Trailers for water jugs, instruments if needed - behind band.

Medical Crew: Mostly Ice Packs and Band aids as the kids march the route

Route Collectors: Members will walk the entire route. Members will carry a collection bucket like a 5-gallon HD bucket. This will allow people to make cash or check donations in the bucket. All checks will be made out to the Bands of CTJ Foundation. There will be a QR code on the side of the bucket so people can scan to donate online from their phone. They can also have the small one-page flyer on the foundation with the QR codes that we can pass out. Collectors will also have candy to pass out to kids along the route to add to the "parade" feel of the event.

Route Crew: Oversee the key deployment of the vendor supported barriers to block roads and putting up signs to warn drivers about kids being in the streets. Will oversee the closure of TPC for Parking needs to ensure that we have safe routes

Snacks Crew: Teams will move ahead of the band and set up tables with water, snacks at the designated stops for the kids. Will include trash cans at the location to collect trash generated during the 15-minute stop.

Water Crew: Have water available at the three rest stops on the 'parade route
